FROM PORT REPUBLIC, VA.

We, of Mt. Olive Brethren church feel sad. Next Sunday will be our regular preaching day, yet we will have no preaching. Brother Jos. I. Hall, our pastor, is in Pittsburg, Penna. It is more than likely that he will be our pastor no longer. We are poor in purse and not able to employ a high salaried man. Our sister church at Dayton, is also without a pastor. Brother J. S. Bowman will move to Craig county soon. He will take charge of a graded school there and preach for the Brethren there. He is a young man and has been quite successful as an evangelist. A good field is open here to a good worker. Can't some brother come and preach for us? Our church is in better working order in Rockingham county than it has been for a long time, if not the best in its history.

We have a good Sunday-school at Mt. Olive. We expect to hold Children's Day in September for the benefit of the children. Will not some brother or sister send us a good program for such an occasion?

J. H. PETRIE.

FROM CROWN, IOWA.

The church at this place is moving along nicely. We have preaching every two weeks, morning and evening. Brother Thomas and Sister Flora officiating alternately. Our membership numbers between 60 and 70, and all in good working order, with good prospects for "more to follow." If any of the Brethren think of moving to Southern Iowa, we invite them to come to this county. We have a good county, with many natural resources. If any one desires information, we will give it gladly. I will just say if any of the good brethren wish a good receipt for making crystal honey, they can get it in Dr. Chase's new receipt book, as good as any. To the church in love.

J. F. GARBER.

FROM KUNKLE, OHIO.

For the last month Bethesda church has had three accessions, of which two confessed Christ in the Radical Brethren church and were received by baptism. For many years the other had been a member in the G. B. church. May all those who feel they can live better lives and nearer to God in our church, come and join with us.

ADAM EBERLY.
